

UMC INGREDIENTS

FOOD, BEVERAGE & NUTRITION

Acidulants/Citrates: • Benzoic Acid, Calcium Citrate, Citric Acid, Fumaric Acid, Malic Acid, Phosphoric Acid, Potassium Citrate, Propionic Acid, Tartaric Acid and Sodium Citrate.

Amino Acids: • L-Arginine, L-Cysteine HCl Anhydrous and Monohydrate, L-Glutamic Acid, L-Glutamine, Glycine, L-Lysine HCl Monohydrate, L-Phenylalanine, Taurine, L-Tyrosine, L-Valine, and N-Acetyl L-Tyrosine.

Antioxidants: • Ascorbic Acid, BHA, BHT, and TBHQ.

Emulsifiers: • Polysorbates, SSL.

High Intensity Sweeteners: • Acesulfame-K, Aspartame, Erythritol, Calcium Saccharin, Luo Han Guo, Monk Fruit, Neotame, Sodium Saccharin, Steviosides, Sucratose (powder and liquid), and Custom Blends.

Humectants: • Glycerine, Mineral Oils/White Oils, Propylene Glycol and Sorbitol.

Hydrocolloids: • Agar-Agar, Carrageenan, CMC, Gelatin, Guar Gum, Gum Arabic, HPMC, Locust Bean Gum, MCC, Tara Gum, Xanthan Gum, and Custom Blends.

Phosphates: • Dicalcium Phosphate Anhydrous and Dihydrate, Tricalcium Phosphate, Sodium Hexametaphosphate and Phosphoric Acid.

Preservatives: • Potassium Benzoate, Potassium Sorbate (granular, liquid, and powder), Sodium Benzoate, and Sorbic Acid.

Vitamins and Minerals: • Ascorbic Acid, Ascorbyl Palmitate, Beta Carotene, Biotin, Folic Acid, Gluconates (Ca, Cu, Fe, Mg, Mn, K, Na, and Zn), Magnesium Chloride Anhydrous HP, Magnesium Citrate, Magnesium Oxide, Magnesium Sulfate Anhydrous HP, Niacin, Niacinamide, Potassium Chloride, Riboflavin 5'-Phosphate Sodium, Sodium Ascorbate, Vitamin A and Derivatives, Vitamin B1 HCl (Thiamine HCl), Vitamin B Mononitrate (Thiamine Mononitrate) Vitamin B12, Vitamin B2 (Riboflavin), Vitamin B5 (D-Calcium Pantothenate), Vitamin B6 HCl (Pyridoxine HCl), Vitamin D2 and D3 and Derivatives, and Vitamin E (Natural & Synthetic).

Other Key Products: • Caffeine Anhydrous (Natural & Synthetic), Erythritol, FD&C Colors, Fruit Concentrates/Juices, Mannitol, Medium Chain Triglycerides (MCT) and Psyllium Husk Powder.
